SUBJECT: Letter of Recommendation: Cameron Voorhees

To:

It is my pleasure to offer a letter of recommendation on behalf of Cameron Voorhees for your consideration. I have known Cameron for over seven years.

Cameron is an outstanding young man and has served as an excellent role model for men of all ages. His willingness to serve, his integrity of heart, and his love for God is particularly noteworthy. I have observed him in several of our vital ministries, children and music ministries. He is a devoted father of four boys and his humble teachable spirit enabled him to serve perfectly guiding young men in our Royal Rangers Ministry. But, his strongest gifting is undoubtedly in music. He has played in a number of positions for our worship team, and during a transitional time when we had no band leader, he willingly stepped in to lead the team. While serving active duty with the USAF Band of Flight, he still volunteered to teach aspiring youth the basics of guitar. His talents are regularly sought whether assisting praise and worship for conferences or just playing creating a really cool holiday environment by playing his guitar in our lobby during the Christmas season.

Cameron is a devout man of God, integral in his faith, loving in his expression of his faith. He is a member in good standing at the Living Word Church. He represents our ministry well, whether in the house or outside the house. For your purposes however, he is extremely talented, diligent, and easy to work with. I have no doubt he will be a major asset to you. Without reservation, I give Cameron Voorhees my strongest recommendation. You are welcome to contact me for further information.

Sincerely,

Gregory Perry
